

Tech Communicator – (CDD)

Be a Part of Luxembourg's Digital Future!

The Luxembourg Tech School (LTS) is an educational concept preparing the next generation of digital leaders. Established in 2016, LTS is a non-profit organisation deeply integrated into the national education system. We offer innovative, project-based learning experiences in areas like Creative Coding, Game Development, AI, FinTech, Space Resources & Robotics, and more. For additional details, visit www.techschool.lu.

Your Role:

We are seeking a dynamic, creative and hands-on Tech Communicator with interests in technology, science and education to join our team. You will play a pivotal role in shaping our online presence and supporting our teaching activities.

Your Responsibilities:

- Manage the social media presence of LTS across Instagram, Facebook, and LinkedIn.
- Plan and execute a content schedule in alignment with the LTS brand and its values.
- Craft and post original and educational content across our social media platforms and website, to engage with our student community, their parents, and our partners.
- Attend classes and events to assist in coaching and to capture the essence of our vibrant educational environment.
- Advocate for the LTS philosophy and activities.

Your Qualification

- General Certificate of Secondary Education (BAC).
- Experience in social media management and content creation (References and/or Portfolio required).
- Ability to take quality photos, with an understanding of composition, lighting and storytelling through imagery.
- Ability to repurpose content for different media (social media, blogs, shorts, short form video, ...)
- Video recording and editing skills is considered an asset.
- Fluency in English and excellent writing skills for casual as well as formal copy.
- A strong can-do approach and motivation to work in a small team, in a dynamic and agile environment.
- Nationality of an EU/EFTA country.

What We Offer:

At LTS, you will contribute to a meaningful mission while enhancing your professional skills and network. We provide:

- A structured program with comprehensive teaching platforms and coaching materials.
- Opportunities to participate in research and development projects.
- A flexible working environment, including the option to work in our LTS Lab at the House of Startups in Luxembourg City.

How to Apply:

Please submit your short motivation letter (briefly explain your motivation to join LTS and why you believe your profile is suitable), CV and an extract of your criminal record (General) to contact@techschool.lu.

Deadline: 25 October 2024
